**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I switched from competitive DSL to fiber and support broadband competition. As a small business owner I rely on my gigabit fiber connection (currently through Sonic.net) to provide service to my higher education consulting business. I would be loathe to be at the mercy of Comcast or AT&T with lower speeds, higher prices, and poorer service.

Sincerely,

Christopher Wu
